QUESTION – Feel her when she went to live in via della

REPLY – then you and Ms. Laura Mazzetti took
rent the House on Via della Pergola around the
end of August, we started in accordance with
the Agency in early summer for you
preserve and began to occupy in late
August. It was a House that included 4 bedrooms and
for this reason we decided to try two other girls
in order to divide what was the
lease.

QUESTION – the Canon as it was?

REPLY – Were 1200 Euros, 300 euros each.

QUESTION – and then you were looking ...

REPLY – and then of course there's say we behaved as

custom, put ads or through

newspaper and is using yellow sticky notes attached to the bar,

I mean as it is customary to say between university students and

We received many phone calls obviously because

However the House is located in a pretty

favorable who must attend the University, was near

in the Centre, close to the Faculty and also in the middle of the

Green. Among the various people that as we

called to view the House, at the beginning was

Amanda who were I think the first of the month

September, the first of September, it was with

his sister, taken vision of home, we explained

What were we say contract terms because

We had to anyway then put in writing that

that was the contract with the Agency, she found herself

Okay, we agree to which room she

should have occupied and in a few days anyway

He left because he had to go if I'm not mistaken in Germany

and said that she would return by the end of the month

September. At his departure, after a few days, I

I received the phone calls, among other always

by Meredith, was also her to take the House and

He saw the room, what had remained free, even with

She did the same thing, we explained the clauses

under the contract, the deposit, Canon, etc.,
agree and then after a couple of days, if not
I accidentally left the hotel where he was staying and
was to occupy the House.

QUESTION – So in that period was?

REPLY – September 10, if I'm not mistaken, that is, Mah was
really at the beginning of September, will have been,
not even the first two weeks of September.

QUESTION – Senta and then at the end of the month ... at the beginning of the month
in September he said?

REPLY – Meredith was definitive ..., I mean Yes.

QUESTION – Permanently?

REPLY – definitely rose to occupy the House already
Since mid-September.

QUESTION – since mid-September. And Amanda?

REPLY – Amanda returned around 20, 21, 22 now with
accuracy cannot remember, however around the 20, he returned
from Germany and settled at home, so
crucially and improbably, although Amanda
He saw first the House, to occupy it before was Meredith.

R.g. 8/08-07/02/2009 c/KNOX AMANDA MARIE + 1

9

QUESTION – Feel the relationship between Meredith and Amanda as they were?

They were always equal or have changed?

REPLY-then of course the two girls were peers and
they had common interests, both were English speakers and
so this facilitated certainly among them
communication. Me and Laura, for interest, for
work issues, to study issues, in addition to

being friends for a long time, anyway

We had time and at different times, the morning we were leaving

early to go to work, come back home for a

short lunch break and then walked back home at night. The

girls obviously, who was in Erasmus and who was coming

anyway to study Italian at the University for

strangers had obviously many more interests in

common and therefore at the beginning I remember being

Note that Meredith was before, began to explain to

Amanda a little, I don't know, exits, the Center,

so at the beginning definitely their relationships were

good, there was, there was no reason not to go

agree, indeed repeat had many interests in

common.

QUESTION – and then?

REPLY – Look then for what I could

perceive me and always with respect, and always

regarding the first attendance in the House because

during the day I wasn't there, it seemed that

However as they caught, not streets

different, but maybe develop personal interests and

cultivated them individually, no longer with the same

regularity or frequency that had been there at the beginning.

QUESTION – but she had, there had been confidences of

Meredith for example or Amanda against

the other, in relation to the other, confidences with her?

ANSWER – well, confidences, in the sense that you know in a menage

familiar sometimes, especially when there is

R.g. 8/08-07/02/2009 c/KNOX AMANDA MARIE + 1

knows well or when you are beginning to know
 early setting rules of coexistence is not
 always easy and repeat while me and Laura to say
 This way we were already pretty navigate, some
 sometimes even a bit more tolerant, even for a
 question of age, so one tries to understand the
 the fact that you're out of the House, you're living an experience
 new, though in fact some times you could create
 the conditions of conflict, particularly with
 for example I know the house cleaning,
 that then when there is a coexistence say para
 College/University is one of the pseudo
 the most difficult, most delicate topics.

QUESTION – How did you?

ANSWER – we had established roster because the arrangement
 the House was made in such a way that being two
 bathrooms inside the House the bathrooms could use
 Let's say two bedrooms and then me and Laura had
 decided, namely as regards the bath which served
 our bedrooms we would have occupied us,
 girls would have occupied in the bathroom that served the
 their bedrooms, for the common parts we had
 established shifts.

QUESTION – but they have created problems?

REPLY – and not always shifts were respected.

QUESTION – who is not respected them?

REPLY – Amanda sometimes not respected them, but ...

QUESTION – do you remember when?

ANSWER – in October.

QUESTION – and that using for housekeeping?

ANSWER – we were using brooms, mops and products for home.

QUESTION – what products were?

REPLY – detergents for home, from washing up flooring, bleach, standard for

home cleaning.

QUESTION – and there were also other issues that have arisen, not I know, they were strangers in the House?

ANSWER – Yes, they were strangers in the House, the fact is

this: the girls, when I speak of the girls I

refer to Meredith and Amanda, the girls of course

having more interests in common, teen, out of doors,

etc., for they did much ... They were obviously also very

cute, it was easy for them to make friends with

boys and early maybe made friendship with neighbors

of course, even after other people

were normally between the University and the premise that

attended. I can say that Meredith has never

brought no one stranger in the House outside of a couple

If I'm not mistaken, a couple of girlfriends British, apart from their

two I've never seen Meredith bring guys in

home. I have never seen nor directly Amanda

bring men into the House, because I often end

week I walked away from the House so

almost every weekend I wasn't there,

but when I got home I knew was coming anyway
know that maybe there was someone.

QUESTION – and who did it?

REPLY – Amanda.

QUESTION – do you remember who was there, who was attending to these
strangers?

REPLY – I remember attending the neighbors and some
friends of neighbors, then gradually, I remember
He went to work in the Pub the Chique, there was a
Albanian guy but now I do not remember the name
and I remember once in a lunch break was
even this guy with her, ate fleetingly
something and then they went out because I do not know what commissions
they had to do.

QUESTION – do you remember other guys who say they arrived

in the House, so strangers?

REPLY – I remember a guy whom I know this
boy slept at home, but when he slept at home I
still wasn't there.

QUESTION – and who had invited him?

REPLY – Amanda.

QUESTION – Always Amanda, what was the name of this guy?

REPLY – Something like Daniel, David, was a friend of
neighbors don't remember sincerely well named.

QUESTION – and Meredith was fiancée say or at least had
a relationship with one of the guys ...

REPLY-then I found myself once, I think a

Once talking to Meredith say of his life
private and personal, from this point of view, because
must understand that though we knew each other and
at the beginning are other arguments with which you enter
confidence, first to create a real confidence
of their own. On that occasion, Meredith told me that
However he didn't bond with anyone here, was coming in
Italy here to study and in fact has always shown
major interests both for the firm, was buying always the
daily newspaper, that is was a girl who
He went to the University every day, yes it's true coming out,
but he never late that much in the evening so I
confided once when he didn't want to, say,
have relations with anyone.

PRESIDENT – but is this? Once ce se knows denote
over time.

REPLY – look at it I remember it was afternoon, exactly
Yes, but I wouldn't go wrong, it will have been the first of the month
in October, one afternoon, I remember we were on
sofa in the afternoon, but the rest the coexistence
lasted very little. However shortly afterwards he told me
realize that a neighbor say he had
developed an interest in him and she

R.g. 8/08-07/02/2009 c/KNOX AMANDA MARIE + 1

13

He said, however, I don't know, I'm a little unsure, I don't know if
I'm interested in Yes or no, but in fact it was a guy
very sweet so it was a very cute courtship
and then ...

QUESTION – and told her who was this guy?

REPLY – Giacomo, Giacomo Silenzi.

QUESTION – which was one of those who were there?

REPLY-Yes Yes.

QUESTION – So you hung out with the guys downstairs?

REPLY – I do a lot less, I tell the truth, because in any case

I was engaged and had other interests, in any case

I was a life a little lets say a little more secluded,

I was a student, I used to work, weekends, I saw myself

with my boyfriend, so I honestly a lot less

in fact I had no phone number of

boys.

QUESTION – Feel so she doesn't know, can't say who attended

the House of boys, the apartment downstairs?

REPLY – the boys were often from us, that is

even for coffee, but for us it was also a

security in the sense that four boys, it is true that the

House was in a nice position, Pan and all, but

the night was dark, so for us the fact that we were

four guys below and have good relationships

neighborhood with these guys, it was in any case a

security because it seems clear, that is, for any

necessity, the stupidest thing can be a little

sugar for the coffee in the morning, to need to

whatever, were nevertheless of tall guys,

strong enough, was for us girls a,

in fact it was a friendship that was still glad.

QUESTION – Look before you go any further, the outer door.

Question-So from that day on how many times he saw in
the House on Via della Pergola?

ANSWER – a few times.

QUESTION – a few times on that occasions, i.e. was not
so in the afternoon, in the morning, at lunch, at dinner?

REPLY – I remember it once was after business hours
work, then it must have been the 7, I was at home, so
are the 7, 7 and a half because he asked Laura

If it was possible to borrow a guitar, Laura

COMPARISON OF THE TEXTS – MICHELE BATTISTELLI AND ABBE

PRESIDENT – the texts will post a prominent notice that is in continuation,

albeit in different investigations Act, the

testimony from the same yield, are always required

to tell the truth, they are also public at this stage

officers as they were when they made

testimony regardless of qualification that

working in institutional activity you have,

for this activity, public officials and then required to

to tell the truth. The comparison was placed on

the request of the public prosecutor's Office, after hearing

the other parties, in connection with conflicts, so I

appeared in the declarations made by you especially
Battistelli said that has not entered the room
where was Meredith, saw the foot that
protruded, the duvet that covered her, of blood clots
the blood and never entered the room. The heads Abbasi has
remembered on this aspect, on this occasion, he
given different exposure he had news
the entrance ...

ALTIERI LUCA – No, I saw.

PRESIDENT – I saw, I was at the news was more neutral,
seeing that Battistelli made entry into the
room. Maybe post on this each of the two texts
say and then say, let's see. Go ahead Altieri.

ALTIERI LUCA – President as I said yesterday when
I bust the door all you are
hurried out of the House and I'm left to
a few extra seconds at the door of the gate of
room where I saw him enter the Inspector Battistelli that
as I always said yesterday it came to the part where
was the victim's head and saw the gesture of
bend down to lift the Duvet, I think rightly
to determine death too I mean at that instant

R.g. 8/08-07/02/2009 c/KNOX AMANDA MARIE + 1

143

I realized I was about to raise the duvet
I rushed out too.

PRESIDENT – do you remember what you said on the point
yesterday ...

MICHELE BATTISTELLI – absolutely and I confirm it.

President-notes ...

MICHELE BATTISTELLI – were all taken outside of House, since then no longer walked nobody.

PRESIDENT – So she did ...

MICHELE BATTISTELLI – Absolutely.

PRESIDENT – has lifted the duvet.

BATTISTELLI MICHELE – I'm not really entered into the room, I watched for 30 seconds what was in it from outside the room and then got on the phone, my colleague was out to identify all These guys.

PRESIDENT – as she stared in these 30 seconds the other boys saw ...

MICHELE BATTISTELLI – they were accompanied out, then now if they came out precipitously, This I can't confirm, however have been all taken outside.

PRESIDENT – do you know if someone has watched while she, that is in these 30 seconds remained in front of ...

MICHELE BATTISTELLI – This I don't tell myself overlooking for a moment when I realized the situation I put myself on the phone.

PRESIDENT – This I looked you can specify better?

BATTISTELLI MICHELE – I was out of the room, there you know the door out. Outside. I have only watched inside. My colleague there, he thought of take out ...

ALTIERI LUCA – can I ask a question? Though I don't know if I

a position to ask questions, IE I

R.g. 8/08-07/02/2009 c/KNOX AMANDA MARIE + 1

144

ask why the Inspector Battistelli concluded that
under that duvet there was a dead body? Why not a
unconscious person to a loss of blood, so why
was not called a possible emergency ambulance
When his death was just a
supposition.

Prosecutor-Dr. comfy-is a question
inadmissible by the heads submitted ...

ALTIERI LUCA – I am thinking in the sense ...

PRESIDENT – sorry, but ...

ALTIERI LUCA – since I came for an ambulance, but
Let's say a Wheel ...

PRESIDENT – But regardless of this ...

ALTIERI LUCA – No, I'm saying this because I have seen, this is just a
consideration ...

PRESIDENT – you confirm you saw him?

ALTIERI LUCA – sure, sure.

PRESIDENT – Then that movement has done, if I may ...

ALTIERI LUCA – Look like I said again, he entered
leaving on the left with the duvet.

PRESIDENT – excuse me, breaks down the door, the door that end
ago?

ALTIERI LUCA – No, casca, opens.

PRESIDENT – Then the door opens.

ALTIERI LUCA – Yes.

PRESIDENT – Remains wide open for all its breadth or in

Part I don't know.

ALTIERI LUCA – seems wide open, I don't know.

PRESIDENT – I do not know ...

ALTIERI LUCA – No, it gave us a chance to see
across the room the door opening.

President-(voices).

ALTIERI LUCA – Yes Yes.

PRESIDENT – So is so wide the view, what do you do?

ALTIERI LUCA – I was there, that is again the time to

R.g. 8/08-07/02/2009 c/KNOX AMANDA MARIE + 1

145

What I've seen, so it may be 5 States
seconds, 6 seconds.

PRESIDENT – In these 5 seconds?

ALTIERI LUCA – In these 5 seconds I saw the Inspector
Babu enter the room, leave the corpse
with the duvet on his left, then passing on
right of the room and arrived, he will have done 3 – 4 steps
arrived at the duvet where was the head of the
victim, made the gesture of lowering and pulling up,
then I went out of the room and I don't know what else to
is success.

President-you remember then, witness Battistelli, has
reported to you something of what he had in this
opportunity found, see?

ALTIERI LUCA – but I remember, just remember a telephone call
did Battistelli, I think, now I do not know if the police
or the flying squad, now Commissioner, I do not know,
However the police for that fact that it had been

found a corpse.

PRESIDENT – for this fact, she heard the content
the phone call at least what he was saying
Babu?

ALTIERI LUCA – can't remember verbatim ... In other words, what has
literally said I don't remember, that is messages was the
disclosure of the discovery of the corpse, then ...

PRESIDENT – But that's because the notes view
the immediacy and the succession of the call?

ALTIERI LUCA – If not apparent, whether came to control
as he says has not entered maybe deducted.

President-you the contents of the phone call that Babu
ago, this as she felt somehow,
some words?

ALTIERI LUCA – No, I heard, certainly yes.

PRESIDENT – what she heard, what words?

ALTIERI LUCA – again, I can't remember the words, I

R.g. 8/08-07/02/2009 c/KNOX AMANDA MARIE + 1

146

remember the phone call messages.

President-messages, so this summary.

ALTIERI LUCA – was the report that had been found
This body, and then to have someone come up it was
front thing.

PRESIDENT – on this occasion there was some of the guys
that were present in the House?

ALTIERI LUCA – I couldn't tell you look, I couldn't tell you.

PRESIDENT – In particular perhaps near her.

ALTIERI LUCA – I can't tell.

PRESIDENT – and she knows how to say the scene from her perceived, vista
been to enter by Battistelli in
room, from who else may have been seen, who else
they were ...

ALTIERI LUCA – for me from anybody because I was left alone
in Yes.

PRESIDENT: you have heard.

BATTISTELLI MICHELE – I echo what I've laid
Yesterday. I entered ... I don't even have a reason not to
verbalizzarlo possibly I had entered.

PRESIDENT – We take note.

ALTIERI LUCA – I don't have any reason to say something
different from what I've seen, I mean are heads.

PRESIDENT – the comparison is that, it is as the same
even beyond the technicalities of legislation is
a comparison.

Prosecutor-Dr. Mignini – if you can make a
question.

PRESIDENT – Yes, on these issues without bring us back to a
time passed, with contrast emerged between the texts already
reviewed. You are welcome.

Prosecutor-Dr. Mignini-when Inspector
Battistelli, she said he kicked in the door, she is
left front door, that is practically with the
back to the window, to the terrace.

R.g. 8/08-07/02/2009 c/KNOX AMANDA MARIE + 1

147

ALTIERI LUCA – Yes.

Prosecutor-Dr. Mignini – while the Inspector

would enter and then she came out, because as soon as he would the ...

ALTIERI LUCA – Made the gesture to turn up.

Prosecutor-Dr. Mignini – did the gesture, she is come out?

ALTIERI LUCA – Yes.

Prosecutor-Dr. Mignini – and where did he go?

ALTIERI LUCA – Out among the others.

Prosecutor-Dr. Mignini – when she phoned the Inspector?

ALTIERI LUCA – the Inspector just got out of the House made the phone call.

Prosecutor-Dr. Mignini – Then she goes out, the Inspector comes out and then phoning from outside?

ALTIERI LUCA – Yes.

Prosecutor-Dr. Mignini – and what did he say to phone? Explain what he said.

ALTIERI LUCA – I was already asked, can't remember the text words, just remember the message.

Prosecutor-Dr. Mignini – I wanted to know, I understood, because here were made 20-30 questions on the same subject on which had been made in earlier, I would also like to try to figure out what He said, that is "Usually I speak with Dr. Bartolozzi, We found what? " A corpse, a ...

ALTIERI LUCA – the speech, i.e. I can use words to bring what I remember being on message, then if these words are obviously not text doesn't make sense I say the words ...

Prosecutor-Dr. Mignini – spoke about a corpse of a dead body of a woman, what has said?

ALTIERI LUCA – Yes, I think he referred to a R.g. 8/08-07/02/2009 c/KNOX AMANDA MARIE + 1 148

girl found dead, now if he said dead if he said corpse or if said ... Yes.

Prosecutor-Dr. Mignini – you said I think then ...

ALTIERI LUCA – No, I believe than the Textuality of words, the message is what I repeat do not have any doubt.

PRESIDENT – agree.

Prosecutor-Dr. comfortable – one more question and enough, her when he left out, then returned to House?

ALTIERI LUCA – No, absolutely.

Prosecutor-Dr. comfortable – When for example they got those.

ALTIERI LUCA – not once out I no longer set foot in the House, none of us.

CIVIL PARTY – Avv. Mack – if you remember Inspector in moment that approached at the height of the face of the corpse, more or less to raise Duvet, so did a few steps, is right?

ALTIERI LUCA – Yes.

CIVIL PARTY – Avv. Mack – Two or three, I guess.

ALTIERI LUCA – three, four maximum.

CIVIL PARTY – Avv. Mack – in doing these steps, you have noticed something peculiar, i.e. There was blood
You told everybody.

ALTIERI LUCA – Yes Yes.

CIVIL PARTY – Avv. Mack – so he walked down the corpse, the manner of walking up to a height of the face.

ALTIERI LUCA – look at me, that is definitely the blood was on the right side of the room and the body then in the area
He is past, now if both, i.e. whether it has precisely placed his feet on blood stains
I can't tell.

R.g. 8/08-07/02/2009 c/KNOX AMANDA MARIE + 1
149

CIVIL PARTY – Avv. Maresca-No No, I have not done this question, if you have noticed something peculiar while the Inspector to go forth in substance along the body, up to the height of the face.

ALTIERI LUCA – No, nothing fancy, what I had said yes.

CIVIL PARTY – Avv. Mack – Thanks.

Defence – Opp. Bongiorno – Inspector, she now said it was was 30 seconds but at the threshold, it gets 30 seconds on the threshold?

BATTISTELLI MICHELE – I looked inside the room to realize what there was, 30 seconds, 20.

Defence – Opp. Bongiorno – you said for going out, it was reported by a witness before, that there would be a crime, reported this morning a heads.

MICHELE BATTISTELLI – Allegedly.

Defence – Opp. Bongiorno – an alleged crime. In situation where it was, that is, on the threshold of the door, She could only see this tarp covered, yesterday said a White foot, etc., what were the reasons I don't led it to do what I think is natural, see if a person is dead or not?

BATTISTELLI MICHELE – the reasons that led me to do that was why I came ... I tried to see at least if the duvet of saw and the things that I have misled into thinking that there there was a dead body, was the color of blood traces that there were around.

Defence – Opp. Bongiorno – Then you had there been under a woman fainted, maybe the duvet didn't move the same, I came the idea that maybe you might not be dead?

MICHELE BATTISTELLI – No.

Defence – Opp. Bongiorno – She who called for?

MICHELE BATTISTELLI – 113.

R.g. 8/08-07/02/2009 c/KNOX AMANDA MARIE + 1
150

Defence – Opp. Bongiorno – though as individuals they then, those I do not know why health have been established that are Accorsi, who were they?

MICHELE BATTISTELLI – 118 staff, arrived with the medical car is called that, not in an ambulance but with a car, apparently because it had already been warned that there was the discovery of a corpse.

Defence – Opp. Bongiorno – because the machine that came that is a finding of corpse, not ambulance, she knows it.

MICHELE BATTISTELLI – was not an ambulance, was not an ambulance.

Defence – Opp. Bongiorno – she didn't have even the slightest doubt despite not having seen the person who was need an ambulance.

BATTISTELLI MICHELE – I asked the operations room of send medical staff and colleagues from the team Mobile, then if an ambulance would arrive, IE not I asked that specific machine, I asked staff doctor, then came to.

Defence – Opp. Bongiorno – since it came out the Inspector in then the news that was given was a death, no one has the most talked about ... That is, it was sure ...

ALTIERI LUCA – Yes Yes Yes.

Defence – Opp. Bongiorno – Thanks I'm done President. The contrast on cellphones, I don't know whether we should make This venue.

Defence – Opp. Maori – Inspector you said before answering an application of advocate Bongiorno who called for the 113?

MICHELE BATTISTELLI – Yes.

Defence – Opp. Maori – also called the Commissioner Bartolozzi?

MICHELE BATTISTELLI – Yes.

R.g. 8/08-07/02/2009 c/KNOX AMANDA MARIE + 1

Defence – Opp. Maori – he used the same phone?

MICHELE BATTISTELLI – Yes, I think so anyway, to service.

Defence – Opp. Maori – where did the Commissioner Bartolozzi called user user or Office, fixed Mobile?

BATTISTELLI MICHELE – I don't remember.

Defence – Opp. Maori – Thanks.

PRESIDENT – if there are any other questions on this aspect.

Defence – Opp. Dalla Vedova – indeed it is actually a question for both, you were both exactly present at the time it got kicked down the door, she

Altieri even kicked, she was little behind this door, when she fell?

MICHELE BATTISTELLI – don't fall, you are wide open, I was at the height of the table in the living room, the guys were ...

Defence – Opp. His widow – and opened to the right or the left?

BATTISTELLI MICHELE – has opened ...

ALTIERI LUCA – opened on the left.

Defence – Opp. His widow – and she remained exactly in the doorway, didn't even a half step ahead to see?

MICHELE BATTISTELLI – in the room?

Defence – Opp. Dalla Vedova – Yes.

BATTISTELLI MICHELE – I went to the boys and We sent them all out.

Defence – Opp. Dalla Vedova – Instead she Abbasi did Middle

step forward because it had ...

ALTIERI LUCA – when the door broke I did

those 30 centimeters over the door and then I withdrew out of the foot.

Defence – Opp. Dalla Vedova – is almost fall then?

ALTIERI LUCA – No, I'm simply went over that foot and then I retired. No, I withdrew my foot for

pull myself up straight, then before I

knew what there was of the room I heard

Paola's voice screaming with fear in his voice

"A foot".

Defence – Opp. His widow – and saw this foot?

ALTIERI LUCA – Yes, there my eyes went on foot, then

After from there, if I'm not mistaken the Inspector Battistelli just says "gradually, everybody out" and then there I

also last look around the room and saw the

blood on the right and the Duvet, I mean a bit

Let's say I flooring base

view all.

Defence – Opp. His widow – the last question, does anyone have said "all out".

ALTIERI LUCA – Yes.

Defence – Opp. The widow-it seems to me that you said that yourself.

ALTIERI LUCA – Yes.

Defence – Opp. His widow – and no one ever came of guys who were out.

MICHELE BATTISTELLI – No.

Defence – Opp. Dalla Vedova – of the guys that were out.

MICHELE BATTISTELLI – boys don't.

Defence – Opp. Dalla Vedova – La Filomena, Luke, Mark.

MICHELE BATTISTELLI – are all out, by identifying them
Mr Maddison.

Defence – Opp. Dalla Vedova – no further questions.

PRESIDENT – We can move on to another topic, but before
pass I wanted to ask: you said you saw
Battistelli raise this duvet.

ALTIERI LUCA – I repeat I saw Inspector Battistelli
Fund raising the Duvet, i.e. in the gesture of, i.e.
When he took the Duvet, if possibly
the raised, as it seemed, I did not see it because
I went away.

PRESIDENT – Then you didn't see, he only saw his foot

R.g. 8/08-07/02/2009 c/KNOX AMANDA MARIE + 1

of the person who was under the duvet.

ALTIERI LUCA – coming out from under the duvet.

PRESIDENT – did not see additional parts?

ALTIERI LUCA – No No, body for us came out only on foot.

PRESIDENT – Because the flap of the duvet cover had not been raised,
as far as she could see until she was ...

ALTIERI LUCA – Yes.

PRESIDENT – at the front door. On mobile ...

ALTIERI LUCA – regarding the speech of telephones,
I want to make an introduction and a question for you
Trust mini not phones my speech
witness that I believe to be quite reliable.

PRESIDENT: Yes, that's trustworthiness, she must tell the truth.

ALTIERI LUCA – Yes, I always say, and only the truth. The premise is this, I mean I into coming here today I mean I asked myself, I brought with me Let's say an attitude of prevention in relation to a possible induction by any Lawyer in me to say something He went beyond my actual memory only. This attitude that I assumed in complementarity we say with the pressure of the prosecution's questions, Lady, meant that I ... The public prosecutor's Office, has fact that I in this case of the discourse on misunderstanding of if that phone eventually was on the table, it was one to which they referred the Postal officials meant that I incalzassi against that hypothesis that I misread This thing. Reflecting on this in retrospect we say free from this ... I realize that there was a possible, as he wanted to bring out the Prosecutor, possible human and misunderstanding of the fact that the phones that related them was one of phones eventually places on the table. Besides, I came back to mind the yellow post-it with the numbers of R.g. 8/08-07/02/2009 c/KNOX AMANDA MARIE + 1 154 cell phone which I believe I also mentioned in statement made in December to the Prosecutor. Then I whipped up on the fact that I seen and that I was sure of the reference ... That phone,

I step back, I honestly remember
on the table there was at least one cell and put more ...

I.e. I don't want to detract from the fact that the
cell reference ... in the sense that they don't
pointing to this possible cellphone on
table, but phones that probably, as is
was said, had been left at the station.

President-you say you saw ...

ALTIERI LUCA – I question this thing for these
the reasons that I have just exposed.

PRESIDENT – Sorry this reflect on the statements is
been a reflect that she has performed alone.

ALTIERI LUCA – alone, absolutely alone.

PRESIDENT – She said that cell phones had remained in
Police Headquarters.

BATTISTELLI MICHELE – I didn't even seen.

PRESIDENT – saw them Not, neither the first nor the second.

MICHELE BATTISTELLI – and nor the second.

President-you started when it was discovered the first
cell phone, had thus subsequently news
second also because unfortunately we do not have the
transcripts and then go a bit in memory and this
is our limit, and probably will be, too
of the other. Then confirm this ...

MICHELE BATTISTELLI – Yes. Mobile phones were one my
private ...

PRESIDENT – on this aspect ...

ALTIERI LUCA – Yes, besides, if I may say so, while
the speech of cellphones as I mentioned can be

a possible human misunderstanding of what you

He was saying, what I saw with my own eyes is

R.g. 8/08-07/02/2009 c/KNOX AMANDA MARIE + 1

155

Another thing.

PRESIDENT – in other words, what did you see?

ALTIERI LUCA – I.e. in the sense what we talked about

before you see it go is another thing.

PRESIDENT – that note on note.

ALTIERI LUCA – Yes, it's a yellow post-it with two numbers of
cell phone.

President-two numbers?

ALTIERI LUCA – Yes.

President-Two cell phone numbers. This card with
two numbers?

MICHELE BATTISTELLI – a card where I wrote

Mrs. numbers ...

PRESIDENT – We take note of these declarations.

Prosecutor-Dr. Mignini – I did not understand, she
He tried to explain why she had said in connection with
cell phones one thing and then today it says no, she
the explained and clarified.

ALTIERI LUCA – Yes.

Prosecutor-Dr. Mignini – I.e. you have put forward, he
invoked reason, which I did not understand, what is
this reason?

ALTIERI LUCA – This we say is something resulting from
Let's say an elaboration of myself and of my career
mental. What happened, if he wants to again ...

PRESIDENT – on these processes.

Prosecutor-Dr. Mignini – just wanted to understand because.

PRESIDENT – the voltage.

ALTIERI LUKE – why is this attitude for which

I did not want to in any way be induced by

anyone to say something that would go beyond

What I remembered exclusively, so by the time

I have heard and it seems to me that they are many

I perceived the attempt of public prosecutions of

bring out any possible misunderstanding that

I admit being can I say this,

even unconsciously ...

PRESIDENT – if you have any questions on this aspect. About phones.

Defence – Opp. Bongiorno – If I have not heard it wrong, the question the cellphone he explained ... I wanted to talk about

Note to those two mobile phone numbers, were the two

numbers of the two phones, she said a little while ago ticket

on which were written by hand these two phones?

MICHELE BATTISTELLI – Yes, I wrote them by hand.

Defence – Opp. Bongiorno – Mrs. ...

BATTISTELLI MICHELE – I remember when I wrote the first number, which now can not remember that note ...

Defence – Opp. Bongiorno – Mrs. Lana, who did wrote the number?

MICHELE BATTISTELLI – Mrs. Knox.

Defence – Opp. Bongiorno – Yes, these are the numbers that given the Knox, I say when she went there to say ...

MICHELE BATTISTELLI – Ah, there I was ...

Defence – Opp. Bongiorno – a card were those written by Lana these two numbers? By whom were they written?

MICHELE BATTISTELLI – No. I don't know, I don't remember if I took it as or if I had given

Executive.

Defence – Opp. Bongiorno – No, but this interests me, When, that is, were two numbers written at the same time?

BATTISTELLI MICHELE – I don't know, I don't remember.

Defence – Opp. Bongiorno – i.e. If one travels to a place for do the inspection ...

MICHELE BATTISTELLI – Now I don't remember Lawyer, i.e.

We talk about something of a year and a half ago, a card with two numbers, I don't know if she gave it to me on officer or if I did I probably had them

R.g. 8/08-07/02/2009 c/KNOX AMANDA MARIE + 1

157

written the Manager and Mrs Lana.

Defence – Opp. Bongiorno – so they were two numbers written by someone delivered to you?

MICHELE BATTISTELLI – Evidently Yes.

Defence – Opp. Bongiorno – On this ticket, there should been further changes?

BATTISTELLI MICHELE – I don't even remember this ticket to be honest.

Defence – Opp. Bongiorno – She wrote something on this

ticket?

BATTISTELLI MICHELE – I don't remember.

PRESIDENT – sorry, perhaps this isn't part though she brought in Via della Pergola because there was the loss, the complaint ...

MICHELE BATTISTELLI – Yes, but I'm sure that number EC I wrote it, but if I wrote it or wrote someone else I can't remember.

PRESIDENT – how many numbers there were on the ticket with which She travels on Via della Pergola?

MICHELE BATTISTELLI – but I did one in number.

PRESIDENT – the second, the other number?

BATTISTELLI MICHELE – the second I couldn't have it.

CONFUSED VOICES IN THE CLASSROOM

PRESIDENT – Just to do some clarity ...

Prosecutor-Dr. Comfortable – Of Public Prosecutions because he doesn't even remember your ticket.

CONFUSED VOICES IN THE CLASSROOM

Prosecutor-Dr. comfortable – objective right contrast with this thing.

PRESIDENT – so we can declare closed This looming, maybe the Lord Altieri is asked to wait a moment. He wanted to ask something counsel? Always on mobile phones, on the contrast among them. Altieri said he saw two phones on table ...

R.g. 8/08-07/02/2009 c/KNOX AMANDA MARIE + 1

158

Defence – Opp. Dalla Vedova – on this issue I have nothing

to say.

PRESIDENT – Then we use up here, on the ticket, she saw something, that is if there is no contrast ...

ALTIERI LUCA – were two mobile numbers under each other written in pen on a yellow post-it.

PRESIDENT – on the same post-it?

ALTIERI LUCA – Yes, the same post-it notes.

PRESIDENT – excuse me, She remembers seeing two numbers mobile phones written on the same post-it?

BATTISTELLI MICHELE – I don't remember this, remember that Surely I had the phone number ...

PRESIDENT – can't remember and has seen two. So it is not There are contrasts, there is one I can't remember and a exposure of a factual circumstance. We can't return ...

Defence – Opp. Dalla Vedova – I'm not coming back on this topic, I am doing a new issue, if I would like to briefly explain why I would take advantage of the fact that here was placed a comparison and I don't have the transcript, but I go to memory and I think I remember why it is yesterday's event.

It seems to me that another element of contrast between the two depositions and the fact that the Battistelli said He arrived when the four boys were already there on the House ...

CONFUSED VOICES IN THE CLASSROOM

PRESIDENT – excuse me, please, let it finish and then possibly ...

Defence – Opp. His widow – but I seem to remember,

Repeat with all the reserves but we are here,
We were all present, we have no record of the proceedings, and instead
the Altieri said that he had arrived first,
together with his friend and later came the
girls. I ask you kindly to the illustrious Highness Court, at
R.g. 8/08-07/02/2009 c/KNOX AMANDA MARIE + 1

Mr. President if he wants to consider this element
analysis in comparison since we have the two people
front with different issues as is evident
been discussed, for question now of the two phones and
the entry, I ask only this.

PRESIDENT – sorry about this because we took the
notes but when Battistelli and the other of
Police find only Amanda and Raffaele Sollecito.

Prosecutor-Dr. Comfortable – No, President
the lawyer sinks that's why I am risen,
because I think, excuse me, I think he has Lawyer reportedly
bad condition that it intended to report, or there is
contrast indeed, although it's a contrast so,
between what he said Inspector Battistelli namely
that the four guys came all four together
and the deposition of the four boys who say they are
arrived before the two boys and two girls,
This is the contrast.

PRESIDENT – With a car, two cars.

Prosecutor-Dr. comfortable – No, but he said
which Battistelli has come when the four boys
had already arrived, so I'm arose.

PRESIDENT – this is not admitted the question why
We have already and there is no reason to proceed to comparison
under articles 211 and 212. The Lord Altieri
then you put him. You may proceed with the
comparison with Joan Garner. He had been admitted between the
Battistelli and Big John, Battistelli and Altieri, between
Altieri and Great Paola.

COMPARISON OF THE TEXTS – MICHELE BATTISTELLI AND GREAT PAOLA –

President-Mr. Battistelli was already notified of
nature of the Act, applies this designation for Mrs.

or Miss Big John, is in continuation of the examination
testimony yesterday made, albeit an activity
technically different, comparison, witness examination, not
but in lay, in responding you continuously to
be witnesses so bound to the commitment already
taken and that is invoked. The comparison, do you
present, to witness Great Paola wraps
in respect of the contrasts in the depositions made that
would surfaced, particularly Battistelli said
not be entered the room occupied by Meredith,
you didn't see what was under the duvet that
It appeared just open your room door broken
same, her large Paola would declare,
parole is that we don't have the transcripts, then
Let's go a bit in memory and on the Clipboard, which
Battistelli comes back and says it has lifted the Duvet,
She was dead, still says that she struggled a lot and

There were handfuls of blood on the walls. You confirm on this aspect and Battistelli her if she saw him Enter the room and what he said about this condition of his ...

GREAT PAOLA – No, I didn't see him enter the room, However I remember perfectly that Mr. Battistelli She said she walked in, she was dead and that he had lost a lot of blood, which had struggled because there were frogging on the wall and that's it, that's it.

PRESIDENT – if you can still specify when says Babu these things where you were, who was present, in that We are part, the starting point is the breakthrough of door. Then the next steps with a focus on This particularly refers to the statements of Battistelli of that situation.

GREAT PAOLA – Practically has been ripped open the door, I am ran out, we say that the first person that I remember seeing out was Luke,

R.g. 8/08-07/02/2009 c/KNOX AMANDA MARIE + 1

161

After a while, actually the weather during this period, i.e. by breaking the door out on time, i.e.

how much time has passed to these events effectively

I can't tell, because it was a very

particular, however the steps I remember them, not remember the sequence. IE I remember being

exit, I remember seeing Luke and in that half hour,

Surely I heard these words from Mr.

Battistelli and were in the yard and we were all out

from the House. What I can't well to explain is

Since I am out how much time has passed

I heard these words I can't say, I

I remember.

PRESIDENT – near her when Battistelli says these words who was there?

GREAT PAOLA – Luca.

PRESIDENT – there was Luke, Abbe.

GREAT PAOLA – Abbe because ... That is, I remember it in the sense because I remember when we were out I was always next to him, you know.

President-you hear Battistelli speaking these words, the frogging on the walls ...

GREAT PAOLA – Yes, he's lost a lot of blood, as it was quite blood in the room.

PRESIDENT – even says I lifted the duvet?

GREAT PAOLA – Yes, also because it is true that I was there when they opened the door, but I only thing I saw
It was his foot, then the room was in darkness,
so if you were to ask me the details that you saw the room what? My eyes have
saw a foot, I the fact that there were the frogging
and all this blood and she had died were
words that I heard from Mr. Battistelli when
We were in the yard.

PRESIDENT: you have heard, she said these

R.g. 8/08-07/02/2009 c/KNOX AMANDA MARIE + 1

162

statements, these phrases? If you spoke them?

BATTISTELLI MICHELE – I don't think.

PRESIDENT – I don't think so, I don't know, isn't it.

MICHELE BATTISTELLI – But I really don't think ... I may have said that there is a lot of blood, there are streaks, there signs of a struggle that surely I can have said.

PRESIDENT – This says?

MICHELE BATTISTELLI – can I have definitely said, was evident.

PRESIDENT – signs of struggle?

MICHELE BATTISTELLI – Yes Yes.

PRESIDENT – and what do you say?

MICHELE BATTISTELLI, from streaks of blood that there were, There were scuff marks on the wall, frogging, you could see it in short, at least I've interpreted so I, probably What I said while I was talking on the phone, Maybe because I think, I mean I said surely the operator of 113 that the situation was a bit like that.

PRESIDENT – Sorry but these streaks on the walls, these signs her so interpreted as fighting pulled them out?

MICHELE BATTISTELLI – not that I pulled out, is from situation, from what I've seen from inside the room.

PRESIDENT – from that observation in 20 – 30 seconds.

MICHELE BATTISTELLI – well, I see a room upside down, all those traces of blood, I see this foot which is outside, this person on the ground covered by this Duvet, traces of blood everywhere.

PRESIDENT – Then blood everywhere saw them,

standing outside the room?

MICHELE BATTISTELLI – sure, President, you could see very well.

PRESIDENT – The witness said there was dimness, was
lit up the room?

BATTISTELLI MICHELE – I could see well enough.

R.g. 8/08-07/02/2009 c/KNOX AMANDA MARIE + 1

163

PRESIDENT – and then she ... But she did not enter, reaffirms
that has not entered ...

MICHELE BATTISTELLI – absolutely not, and I have not touched
anything.

PRESIDENT – Though the statements made, these phrases
He said, blood stains, streaks.

MICHELE BATTISTELLI – Certainly.

President-I lifted the duvet this ...

MICHELE BATTISTELLI – But no, because I didn't.

PRESIDENT – had died, this says?

BATTISTELLI MICHELE – I think so on the phone, Yes. But they are
always my deductions that I did there seeing that
person, foot of that color, in short, I happened to
see them.

PRESIDENT – Then than now the heads,
She denies no I said I lifted the Duvet, but
other things I have said.

MICHELE BATTISTELLI – Yes, Yes, certainly, Yes.

PRESIDENT – arrival of 118 these words

When he would say them?

MICHELE BATTISTELLI – When I immediately called the 113.

PRESIDENT – Then the 113 had arrived when she

say them?

MICHELE BATTISTELLI – The 118 no, still had not arrived.

PRESIDENT – nobody had not arrived, so the situation
the attendance was unchanged, has remained?

MICHELE BATTISTELLI – Yes, they were all out boys
(crosstalk).

President-(voices).

Prosecutor-Dr. Mignini – Look she saw

Inspector Battistelli when was out phoning?

GREAT PAOLA – No, I don't remember.

Prosecutor-Dr. Mignini – that is, he would have said
these things and then not remember if he called.

GREAT PAOLA – No, I don't remember seeing it at

R.g. 8/08-07/02/2009 c/KNOX AMANDA MARIE + 1

164

phone, however I this premise, in the sense

compared to all this done, since it was

smashed in the door I had half an hour to fix,

i.e. in the sense while the rest always

be very consistent and have a sequence of

flawless events, than this particular I is

as if there I fixed three photographs that do not move,

Luca near me, the words of this Lord of

And we, who are all out and here I am

running, but I can't ... Then I don't remember any more,

not even seeing him on the phone, that is not ...

Prosecutor-Dr. Mignini – a question

the Inspector, you talked about handfuls of blood, right?

MICHELE BATTISTELLI – Yes.

Prosecutor-Dr. Mignini – saw these
manate, saw them in the room?

MICHELE BATTISTELLI – Yes there were traces of blood.

Prosecutor-Dr. Mignini – Where has seen these
frogging?

BATTISTELLI MICHELE – I even think I saw her on the wall.

PRESIDENT – excuse me, were you handfuls or crawl back and hand? That
What were they?

BATTISTELLI MICHELE – I seemed to crawl back and hand. So.

PRESIDENT – horizontal, vertical, how?

Prosecutor-Dr. Mignini – Anyway you
views, she says she's seen standing outside the
door?

MICHELE BATTISTELLI – Yes.

PRESIDENT – If there are on this aspect only.

CIVIL PARTY – Avv. Mack – a single question, President,
Ms. She said she has pictures
precise, here is the first picture the door is
sfondata e she goes out.

GREAT PAOLA – Yes, I see a foot, I go out, I run.

CIVIL PARTY – Avv. Mack – together with whom?

R.g. 8/08-07/02/2009 c/KNOX AMANDA MARIE + 1

165

GREAT PAOLA – I am the first and ahead of me in the hallway is
tight, I can't even remember if there was someone, I
It seems to come out first, behind me in theory
remembering the previous scene there was supposed to be Luke and
I remembered mark. As soon as I exit but it is as if ...
Then the first person I remember seeing is Luke,

but as soon as I got out, that was a little ... I remember just seeing the first then Luke.

CIVIL PARTY – Avv. Mack – the first person behind her out the front door?

GREAT PAOLA – No, I already then I did a bit a bit more along the port, and then ...

CIVIL PARTY – Avv. Mack – the first person behind her in the garden is Abbe?

Yes, but not LARGE PAOLA – behind me because when I'm Here I was a little bent, I ... Luca put me a hand on my shoulder, I got up and I faced.

CIVIL PARTY – Avv. Maresca-Yes, still comes out immediately behind her Abbe or after a few seconds?

GREAT PAOLA – Actually I don't know say, because my image of Luke out, the first person I see

He is, as I may say, is a static thing, is not ... I

I left out then I see Luke, however I don't know immediately if it's been a minute, right away, that is ... I for sure this I can't tell.

CIVIL PARTY – Avv. Mack – there is a little difference between a few seconds, a few minutes?

GREAT PAOLA – for me a few seconds immediately, i.e. If one mi She says if they went 30 seconds, I'd say now, because to me 30 seconds immediately, but I do not know ...

CIVIL PARTY – Avv. Mack – and if it were immediately behind to her?

GREAT PAOLA – Immediately maybe is like saying that we left almost together, I don't know, so maybe ...

R.g. 8/08-07/02/2009 c/KNOX AMANDA MARIE + 1

166

CIVIL PARTY – Avv. Mack – I say immediately behind ...

GREAT PAOLA – immediately behind or 30 seconds maybe for me

There is not much difference.

CIVIL PARTY – Avv. Mack – Thanks.

Defence – Opp. Bongiorno – excuse me, Inspector saw that this

duvet cover also the head from what I understand,

She then came out saying there's a crime they killed a

girl, how you could tell he had been killed a girl

If you had seen her face?

CIVIL PARTY – Avv. Mack – has already responded.

Defence – Opp. Bongiorno – Sorry, since you responded

will again equal, right?

MICHELE BATTISTELLI – If I said possibly have

said one girl was killed is because only I

associated with that room to a girl, okay? If

I said, I'm not even sure if I said

This at this point.

Defence – Opp. Bongiorno – excuse me then, so far I looked

not disputed that she had come out and said there was a

corpse, that there were signs of a struggle, and it was

for common ground that she was a woman and that was Meredith then

This thing so it was not peaceful.

MICHELE BATTISTELLI – who was down there I didn't know.

Defence – Opp. Bongiorno – there was a woman she didn't

He knew?

MICHELE BATTISTELLI – But I didn't know who was there.

Defence – Opp. Bongiorno – excuse me, then of course I must

get ... I would like to ask then to her at this point,

When he left Battistelli actually spoke of a

dead woman or he never mentioned, he said.

She said ... What he said, then if he did or

I can just tell who saw, which had raised

the Duvet, you remember?

GREAT PAOLA – No, I mean that he just words, he

lifted the duvet no, exactly I remember is

R.g. 8/08-07/02/2009 c/KNOX AMANDA MARIE + 1

167

dead, there are, struggled, there is a lot of blood, because it has

lost a lot of blood because the room was full of blood

and there were these frogging on the wall to where you see that

He will have fought.

Defence – Opp. Bongiorno – have any of you had doubts about who

was the dead body?

GREAT PAOLA – Look in theory no, because however Filomena

I remember now that said

"Lady Meredith", but actually it was one of our

assumption that then basically all we gave

for granted out, that that is ... I also remember the scream

by Filomena "No, Meredith", because that was his

Filomena's room, so in theory at least for that

that concerns me at that point I assumed that

ditch Filomena House's Companion, though ...

Defence – Opp. Bongiorno – even if you remember the expressions

that ... at least I was told ...

GREAT PAOLA – Yes, what has been said.

President-I lifted the duvet but don't remember?

GREAT PAOLA – No, this particular no.

PRESIDENT – If there are other questions we can ...

Inspector Battistelli is dismissed, we do
the last confrontation between large Paola and Altieri Luca.

COMPARISON OF TEXTS – ALTIERI LUKE AND BIG PAOLA –

PRESIDENT – We have already mentioned.

CIVIL PARTY – Avv. Mack – President the object of
contrast is the same. In fact I asked.

PRESIDENT-the only contrast ... We took a small
memo and that we are, then from a journal
will come out I do not know ... Though at the time she reported
seeing the Battistelli which approached to

R.g. 8/08-07/02/2009 c/KNOX AMANDA MARIE + 1

168

lift the Duvet, however entered the room
where was Meredith and to get to the duvet and the body

He also described the journey within
of the room. She said she saw for
exit, has however reported statements

Battistelli has subsequently performed, what
We first invoked namely died, struggled, there
are bloodstains on the walls.

Prosecutor-Dr. comfortable – No, sorry

President, because the object of contrast, at least

What I highlighted yesterday immediately

After the examination of the two witnesses was slightly different,
namely, while Abbas yesterday reported, today has
partially minimized its presence, however today

He said he was on the threshold of the door

by Meredith whole time Battistelli

It would, according to the version of Altieri, entered
and he found a flap of the duvet. While the
Great reported that he came out all four
at the same time and therefore also Altieri.

PRESIDENT – However I am here.

Prosecutor-Dr. comfortable – And even Battistelli,
they came out and then came, exactly.

Defence – Opp. Bongiorno – as she recalls what he
heard we don't remember that Abbasi has
said to have been there to witness Battistelli ...

PRESIDENT – We can also postpone the confrontation for a
later, meanwhile we hear what on these
moments can refer, so you remember, you
leaving all four together?

GREAT PAOLA – Unfortunately, as I said before, I remember
the first person I've seen once in the yard is
was Luke, it doesn't quite anyway and I said
just now, I remember saying so, the
problem is that for me right away might be even 30

R.g. 8/08-07/02/2009 c/KNOX AMANDA MARIE + 1
169

seconds, a minute, I can't give a time, could
also arriving ...

PRESIDENT – But she's sure that Luke has gone before?

GREAT PAOLA – No, I was safe behind my back because I
see, I went out, but when I came out I had
a minute, for me anyway it was dark in the sense that
I had a moment of upheaval and then the first person

I saw was Luke. So time, i.e. whether it is released immediately was behind me, I never turned around, I went out straight as well.

PRESIDENT – But do you remember whether he saw Battistelli return back after this break through the door?

GREAT PAOLA – the image I have of Battistelli is in front of the front door and then at some point before the door I didn't see him anymore and then I remember back at the door, so that is why maybe I yesterday, that is, in sense in these two images, then I'll probably today not wanting to have created the phrase I saw him enter then come out, this was more a putting together these three images, he stood before the door, then I saw, then I reviewed at the front door that is been a while ...

ALTIERI LUCA – I compared to what was being said as in contrast, I have always said than

I have been assisting Battistelli into the room, I always well specified to be left in the moment When Battistelli was about to raise the duvet so it's not possible that I have said and so much you can go to review, it is not possible that I have told you having been there for as long as there was Battistelli. I went out first, then there is a time where was he in the room and I did not see it, so This does not exist. In contradiction, since I end of my hearing yesterday I attended his hearing, and I took the contradictions.

R.g. 8/08-07/02/2009 c/KNOX AMANDA MARIE + 1

PRESIDENT – I.e. to his hearing, the testimony ...

ALTIERI LUCA – Yes, it was back to mine, I took the two contradictory aspects that this was done reference, i.e. the temporal adverb which was used by her, which then was not immediately, but immediately, you can go to review and beyond terminology of temporal adverb, relativity i.e. immediately can be instantly, in a matter of seconds, in minutes, depends the present case, apart from this it is clear that in an objective situation of shock for the finding of the scene of a heinous crime as This, temporal cognition of a person into that mental state is over so its, that is immediately to me what I mean? Nothing.

PRESIDENT – statements that the great Paola reported listened to by Battistelli, bloodstains, etc., Grand Paola says that she was close to her, you look, you have beckoning?

ALTIERI LUCA – Watch the speech is that, then this applies to many things, the speech is that after what happened We talked about it and talked about inclusion, so I now I know this information, but honestly I don't know say I remember it because Paola told me I felt, I remember it because I felt I directly.

PRESIDENT – So she doesn't remember, he didn't listen.

ALTIERI LUCA – I made this I know, but I can't say

that the said Babu.

PRESIDENT – of course, I say this even as I heard though in a broad sense, but she felt?

ALTIERI LUCA – Yes, I remember and I don't know if it was Babu or the other person who had already made some comments, the fact that ... The hint that he had fought for the reference on the trail of the hands on the wall that I don't

R.g. 8/08-07/02/2009 c/KNOX AMANDA MARIE + 1

171

I had seen because I glanced at the wall.

PRESIDENT – if there are any questions. If there are no questions

Maybe ... Unfortunately, we note that we do not have the transcripts, there will, if necessary,

availability of those resources to put in place similar incumbent that it becomes difficult to manage them in a situation like this when you don't have your

statements made by the texts already felt. The same

are discharged, please refer to the continuation
