*Vicki [Hutchison, a 32-year-old waitress] said: “Jessie told me about a friend of his named Damien and that this friend drank blood.”*

*Soon she was reporting to police that she’d gone with Damien and Jessie to an esbat – a devil-worshipping orgy in a field – where she saw about 10 young people, with faces and arms painted black, taking off their clothes and “touching each other”.*

*As the local Satanic panic grew, other witnesses reported Damien told them that he’d raped the boys and killed them with a 10in knife.*
